[Ex. 6 Personal Privacy (PP)]

1. Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

by the Justice Department on 08/14/2019.

On August 8, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Colorado in the lawsuit entitled *United States v. Guardian Life Insurance Company of America*, Civil Action No. 1:19-cv-02557.

The proposed Consent Decree resolves the United States' claim under Section 107 of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. 9607, against the Guardian Life Insurance Company of America ("Guardian Life") for recovery of past response costs incurred at the Widefield PCE Superfund Site ("Site") in El Paso County, Colorado. The Site comprises a former dry cleaners at 3217 South Academy Boulevard in Colorado Springs and related contamination of soil and groundwater, including of the Widefield Aquifer. Guardian Life was the owner of the 3217 South Academy Boulevard property at the time of disposal of hazardous substances. The proposed Consent Decree requires Guardian Life to pay \$700,000 in reimbursement of past response costs incurred by the United States with respect to the Site. The proposed Consent Decree provides Guardian Life with a covenant not to sue for past response costs incurred by the United States in connection with the Site and contribution protection under CERCLA.

2. Hazardous and Solid Waste Management System: Disposal of Coal Combustion Residuals From Electric Utilities; Enhancing Public Access to Information; Reconsideration of Beneficial Use Criteria and Piles

by the Environmental Protection Agency on 08/14/2019.

In this action, EPA is proposing the following targeted changes to the April 17, 2015 Coal Combustion Residuals Final Rule based on stakeholder input: Revisions to the annual groundwater monitoring and corrective action report requirements, establishing an alternate risk-based groundwater protection standard for boron, and revisions to the.
